T.J.M. Sheehy, Esq.,  

Dear Tom,

I saw Dr. Murphy on Sunday afternoon and we had a long and interesting chat. He would be an excellent man as chairman for your branch, and when I mentioned the matter tentatively to him, he was willing to act in that capacity. He also mentioned the names of some people in your area who would be good men for officers. Perhaps you can see him yourself as soon as you can, and get these names off him. We, more or less, left the matter of starting a branch in abeyance until after the big meeting on the 28th, but I have been thinking since that it might be better if we got one going next week. It all depends on how much support we will be able to get, but if it were possible, I should prefer starting a skeleton branch before the 28th.

I am now installed as full time General Secretary and Organiser at this office so give me a ring or write if you want any help.

I enclose a list of a few names of people who were recommended to us as sympathisers in your area, you could get in touch with them if you have not already done so.

Yours sincerely,

General Secretary of the  
Anti-Partition of Ireland League
